China high voltage switchgear in Mozambique

Overview

Who is a reputable switchgear manufacturer in China?

DOHO is one of the most reputable switchgear manufacturers in China, with over 10 years in the electrical industry. We produce a full range of low-voltage (LV) , medium-voltage (MV) switchgear and high-voltage switchgear (HV).

What types of switchgear do you offer?

We offer a broad range of switchgear products, including low voltage, medium voltage switchgear, and high voltage switchgear. We also offer a wide variety of components in all switchgear categories, such as circuit breakers, fuses and an array of switches.

What is a high voltage switchgear?

Our high voltage switchgear is made with high quality materials and components to ensure its long service life and reliability. DOHO HV switchgear products are designed for installation in locations with high voltage systems such power transmission and distribution.

What is a low voltage switchgear?

DOHO low voltage switchgear is designed for safe and reliable distribution of electrical power in residential, commercial, and industrial applications. This type of switchgear is available in a variety of configurations, including circuit breakers, contactors, fuses and other components.

What type of switchgear does Doho offer?

DOHO offers a full range of medium voltage switchgear up to 36kV. Our medium-voltage products offer high mechanical and electrical strength as well as superior heat dissipation, and are suitable for use in an array of applications, including power generation, transmission, and distribution.

What is Doho low voltage switchgear?

We design and make all kinds of switchgear components such as switches, fuses, circuit breakers and more. DOHO low voltage switchgear is designed for safe and reliable distribution of electrical power in residential, commercial, and industrial applications.

China high voltage switchgear in Mozambique

Switchgear Manufacturer, Medium, Low& High Voltage ...
