

## Solar Storage Container Solutions

# Solar powered water pumps in Norway

## Overview

---

Who makes solar water pumps?

WBS began producing water pumps in 1998. In 2008, we independently developed and produced solar water pumps. We have OEM production for more than 200 solar pump dealers around the world. Over the past 10 years, we have produced more than 150,000 sets of solar water pumps that have been exported to other parts of the world.

What is a VFD & a solar pump controller?

Our VFDs and solar pump controllers feature cutting-edge MPPT algorithms and high-efficiency motor control, reducing energy consumption and operational costs. Tailored for industrial automation, solar water pumping, and smart water management, our products ensure reliable performance in diverse environments.

Are Kuvo solar water pump inverters IP54 rated?

KUVO's IP54-rated drives have performed flawlessly, improving motor efficiency and reducing downtime. Excellent product and support!" "We installed KUVO's solar water pump inverters for our irrigation system in Kenya, and the results have been amazing!
